Tutoring Experience

With over 11 years of tutoring experience, I've had the pleasure of helping students excel in Economics, History, and Geography. My background from top Chinese universities has provided me with the expertise to guide students across multiple curriculums, including A-Level and GCSE, ensuring a strong grasp of analytical and historical perspectives.

Throughout my career, I've worked with students from diverse educational backgrounds, focusing on fostering deep understanding in economics and history. I guide my students through complex theories in Economics and historical analyses, equipping them with tools to approach exams confidently and achieve top scores.

Many of my students have successfully advanced to prestigious universities. My goal is to inspire a genuine interest in these subjects, providing a solid foundation that extends beyond exams.
